

JOHN GABRIEL M. LACAR

Front-End Developer

 +63 991 772 9314

 lacar.johngabriel@gmail.com

 Zone 2, Maken Street, Barra, Opol

PROFESSIONAL SUMMARY

Motivated and detail-oriented Front-End Developer with a strong foundation in React JS, HTML, CSS, and JavaScript. Experienced in designing responsive, user-centric interfaces and skilled in both programming and hardware troubleshooting. Recognized by DENR-MGB X with a Letter of Commendation for professional contribution. Eager to grow in a dynamic development environment and continuously expand my knowledge in full-stack development.
